

# Bonus Flexible Annuity

## A Tax-deferred Annuity for Retirement Savings

### POLICY HIGHLIGHTS

It's never too early to start planning for retirement. When selecting the most appropriate retirement vehicle for you, keep in mind your investment objective, risk tolerance and investment time horizon.

The Bonus Flexible Annuity is a product that provides tax-deferred growth and access to your money when you need it. It also allows for flexible contributions and has a variety of payout options.

If these features are important to you, Companion Life Insurance Company's Bonus Flexible Annuity may fit your needs.

#### COMPANION LIFE INSURANCE COMPANY RATING

- Available monthly, quarterly, semiannually, annually
- \$100 minimum/month

## DEATH BENEFIT

The greater of the accumulation value or gross purchase payments minus any cash withdrawals, withdrawal charges and outstanding loans.

**POLICY FEE** — \$30.00 deducted on any policy anniversary at which the accumulation value is less than \$20,000.

## PAYOUT OPTION

- Proceeds held on deposit of interest: while the proceeds are held by us, we will annually pay interest to the payee or add interest to the proceeds.
- Income of a specified amount: we will pay the proceeds in installments of a specified amount until the proceeds with interest have been fully paid.
- Income for a specified period: we will pay the proceeds in installments for the number of years you choose.
- Lifetime Income: we will pay the proceeds as monthly income for as long as the annuitant lives. The following guarantees are available:
  - (a) Guaranteed Period: we will pay the monthly income for a minimum of 10 years and as long thereafter as the original annuitant lives; or
  - (b) Guaranteed Amount: we will pay the monthly income until the sum of all payments equals the proceeds placed under this option and as long thereafter as the annuitant lives.
- Lump Sum: we will pay the proceeds in one sum.
- Alternative Schedule: upon request and if available, we will provide payments for other options, including joint and survivor periods.

You may choose any of the options for payment shown in the Payout Options provision. If you do not choose an option, the guaranteed period of 10 years will be the automatic option.

A beneficiary may also have the death benefit applied to a payout option. If the beneficiary does not choose an option within 60 days of the date we receive due proof of death, we will make payment in a lump sum.

(You may obtain additional information about any of the options by contacting Companion Life Insurance Company.)

## 90-DAY RATE LOCK-1035 EXCHANGE & DIRECT ROLLOVER/TRANSFER

- Rate Lock Period if 90 days from date of application
- Rate credited will be the greater of:
  - Rate at time of application; or
  - Highest new money rate declared during the 90-day Rate Lock Period

If the application is received after the 90-day Rate Lock Period, the rate will be the rate in effect when the funds are received at Companion Life Insurance Company.
