What is a MYGA?

A multi-year guaranteed fixed annuity (MYGA) is a long-term financial contract between you and an insurance company that's designed to protect and grow your money tax-deferred, while providing a guaranteed return for a fixed period of time.

What are the advantages of a National Security fixed annuity?

It helps you better manage your taxes

With our fixed annuity, your earnings are tax-deferred, provides your money with a greater rate of growth.

It helps protect your savings

With our fixed annuity, there is no worry of market volatility. Your premium will never be at risk of market fluctuations.

It provides you with a guaranteed rate

By knowing what your return is going to be, you can better plan your future retirement.

It helps protect your family

Upon your death your beneficiaries will receive the full value of your contract.

It provides income when you are ready

Our multi-year guaranteed fixed annuity allows you to grow your money tax-deferred at a fixed interest rate, over a specific period of years, providing you with income when you are ready.

It provides easy access to your money

There are times when you may need access to some of your money earlier than you were expecting. With our fixed annuity, you may withdraw up to 10% of the contract value each year or your required minimum distribution, whichever is greater, without incurring a surrender charge. The penalty-free withdrawal option begins after the first contract anniversary.

It is fee free

That's right. Our single premium deferred fixed annuity has NO upfront charges.

Features & Benefits

Product Type	Single Premium Deferred Fixed Annuity
Issue age	Issue ages 0-85
Minimum/Maximum Premium	\$25,000 to \$1,000,000
Premium Protection	There is no risk of market volatility. Your premium is protected from market downturns.
Tax-Deferred Growth	Premium grows tax-deferred until withdrawn.
Fees	No upfront charges. All your money goes to work for you.
Death Benefit	Your beneficiaries will receive the full contract value.
Initial Interest Guarantee Period	You may select the Initial Interest Guarantee Period at the time of application. Interest Guarantee Period options are 3, 4, 5, 6 or 7 years.
Interest Rates	All interest rates quoted are effective annual interest rates. These are the rates that result after interest has compounded daily for a full year. Interest will be credited to your account daily.
Penalty-Free Withdrawals	You may withdraw up to the Penalty-Free Partial Surrender amount per contract year without incurring surrender charges by providing a written request. The Penalty-Free Partial Surrender amount is equal to 10% of the contract value on the date of the withdrawal, or your Required Minimum Distribution (RMD) amount if applicable, whichever is greater, minus the amount of any withdrawals you have taken during the same contract year. The penalty-free withdrawal option begins after the first contract anniversary.
Renewal Option	Before the end of the Initial Interest Guarantee Period, you will be notified that the contract can be continued for the same guarantee period or surrender the contract without a surcharge or continue the contract for another guarantee period.
Free Look Period	You may return the contract to National Security or to the agent through whom the contract was purchased within 20 days or, if the contract replaced any other life insurance or annuity contracts, within 30 days after you receive it. The Company will refund the single premium paid.
Surrender Charge	Withdrawal of the contract value may be subject to a surrender charge percentage as shown in the Surrender Charge Schedule on the back page. The surrender charge will be determined by multiplying the amount subject to the charge by the appropriate percentage shown in the Surrender Charge Schedule. See Surrender Charge Schedule and contract for full details.
