WITHDRAWALS AND SURRENDERS

Withdrawal Charges

You have a choice between a 5-year and 7-year withdrawal charge schedule. A withdrawal charge may apply if you withdraw money from your contract during the first five or seven years, based on the schedule you choose. The charge is a percentage of the amount withdrawn that exceeds any available penalty-free amount. After the fifth or seventh contract anniversary you will have full access to your investment and any earnings without a withdrawal charge, based on your selected schedule. Contracts with a longer withdrawal charge schedule may earn a higher interest rate than those with a shorter one.

5-YEAR SCHEDULE						7-YEAR SCHEDULE							
Year	1	2	3	4	5	Year	1	2	3	4	5	6	7
Charge	9%	9%	8%	7%	6%	Charge	9%	9%	8%	7%	6%	5%	4%

Withdrawals from indexed strategies during a contract year will earn a prorated guaranteed minimum interest rate.

Penalty-Free Withdrawals*

During the first contract year, you can withdraw 10% of your initial purchase payment without incurring a withdrawal charge.

After the first year, you can withdraw 10% of the contract value annually, less any withdrawals in that contract year.

Your contract value after each withdrawal must be at least \$10,000.

* *Withdrawals reduce the annuity's remaining death benefit, contract value, cash surrender value and future earnings. Withdrawals may be subject to income tax and, if taken prior to age 59½, an additional 10% IRS tax penalty may apply. More frequent withdrawals may reduce earnings more than annual withdrawals.*

Nursing
Facility/
Terminal Illness
Waiver

Waives the withdrawal charge after the first contract anniversary if you or your spouse is confined to a hospital or nursing facility for at least 30 consecutive days, or has a terminal illness that is expected to result in death within 12 months.

Conditions may apply.

Unemployment
Waiver

Waives the withdrawal charge if you or your spouse becomes unemployed. In order to qualify, you or your spouse must meet the following requirements:

1. Employed full time on the contract issue date
2. Unemployed for a period of at least 60 consecutive calendar days prior to claiming the waiver
3. Unemployed on the date when the full surrender or partial withdrawal is requested

Conditions may apply.

DEATH BENEFIT

Should you pass away before starting your annuity income payments, as of the date Protective Life receives the proof of death, your beneficiaries will receive the contract value including a prorated guaranteed minimum interest rate for funds allocated to indexed strategies.
